MUDDERMAL.

DIGITAL SEIZED ASSET MANAGEMENT SYSTEM

Project Overview

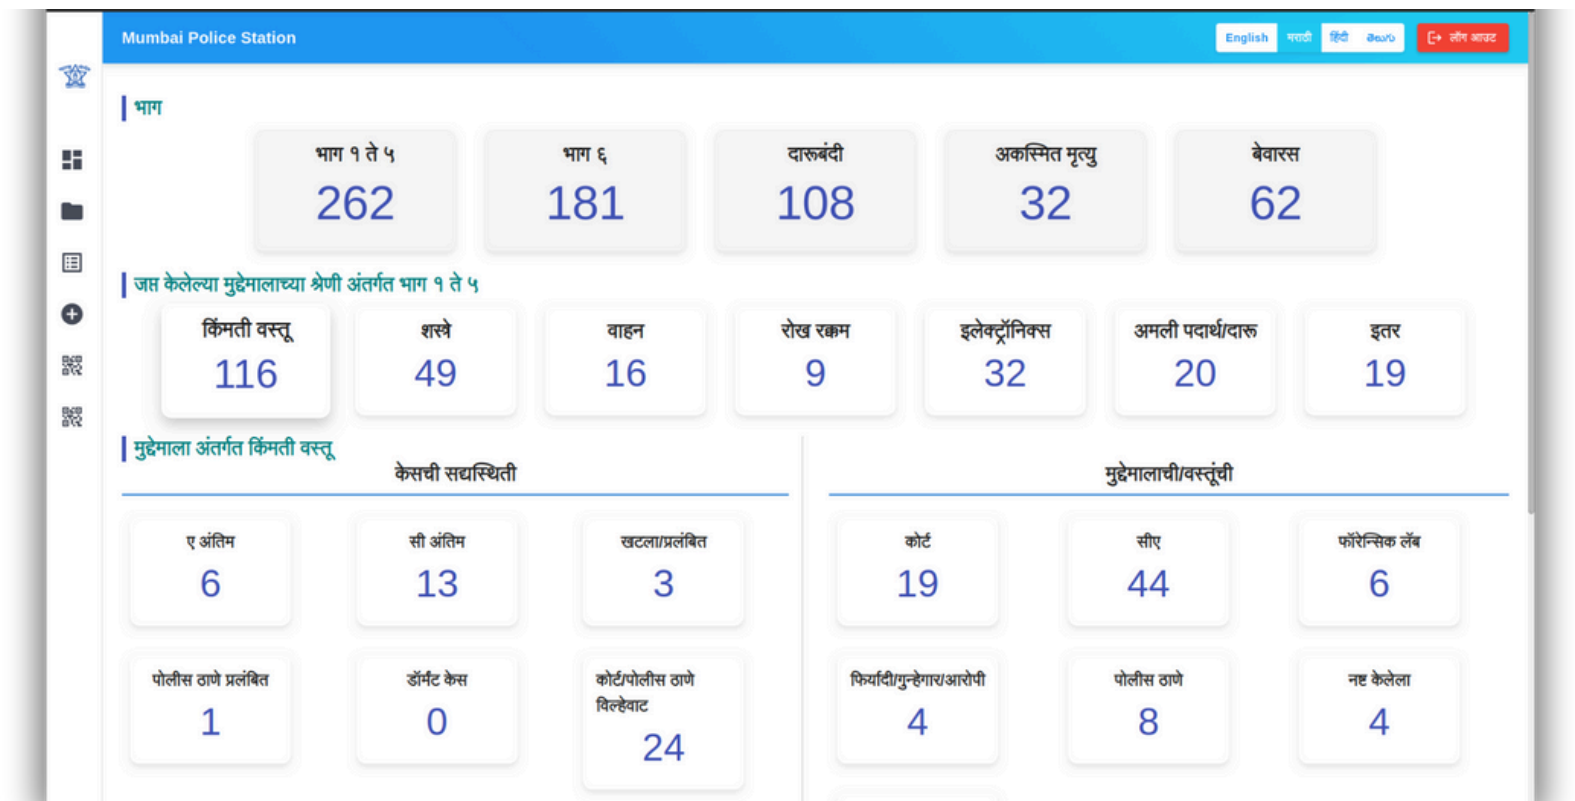

Muddemal is an advanced desktop application designed to streamline and modernize the management of seized assets within Maharashtra Police stations. By integrating cutting-edge technologies, Muddemal enhances accuracy, transparency, and efficiency in tracking and seized assets.

Project Scope

Muddemal covers end-to-end management of seized assets including:

- Data entry automation via OCR and AI
- Asset classification with AI
- Secure record maintenance via Blockchain
- Real-time asset tracking with QR codes
- Digital evidence handling (images, videos, documents)
- Multilingual support (English, Hindi, Marathi)
- Logs of Edited Item

Current Tracking Methods

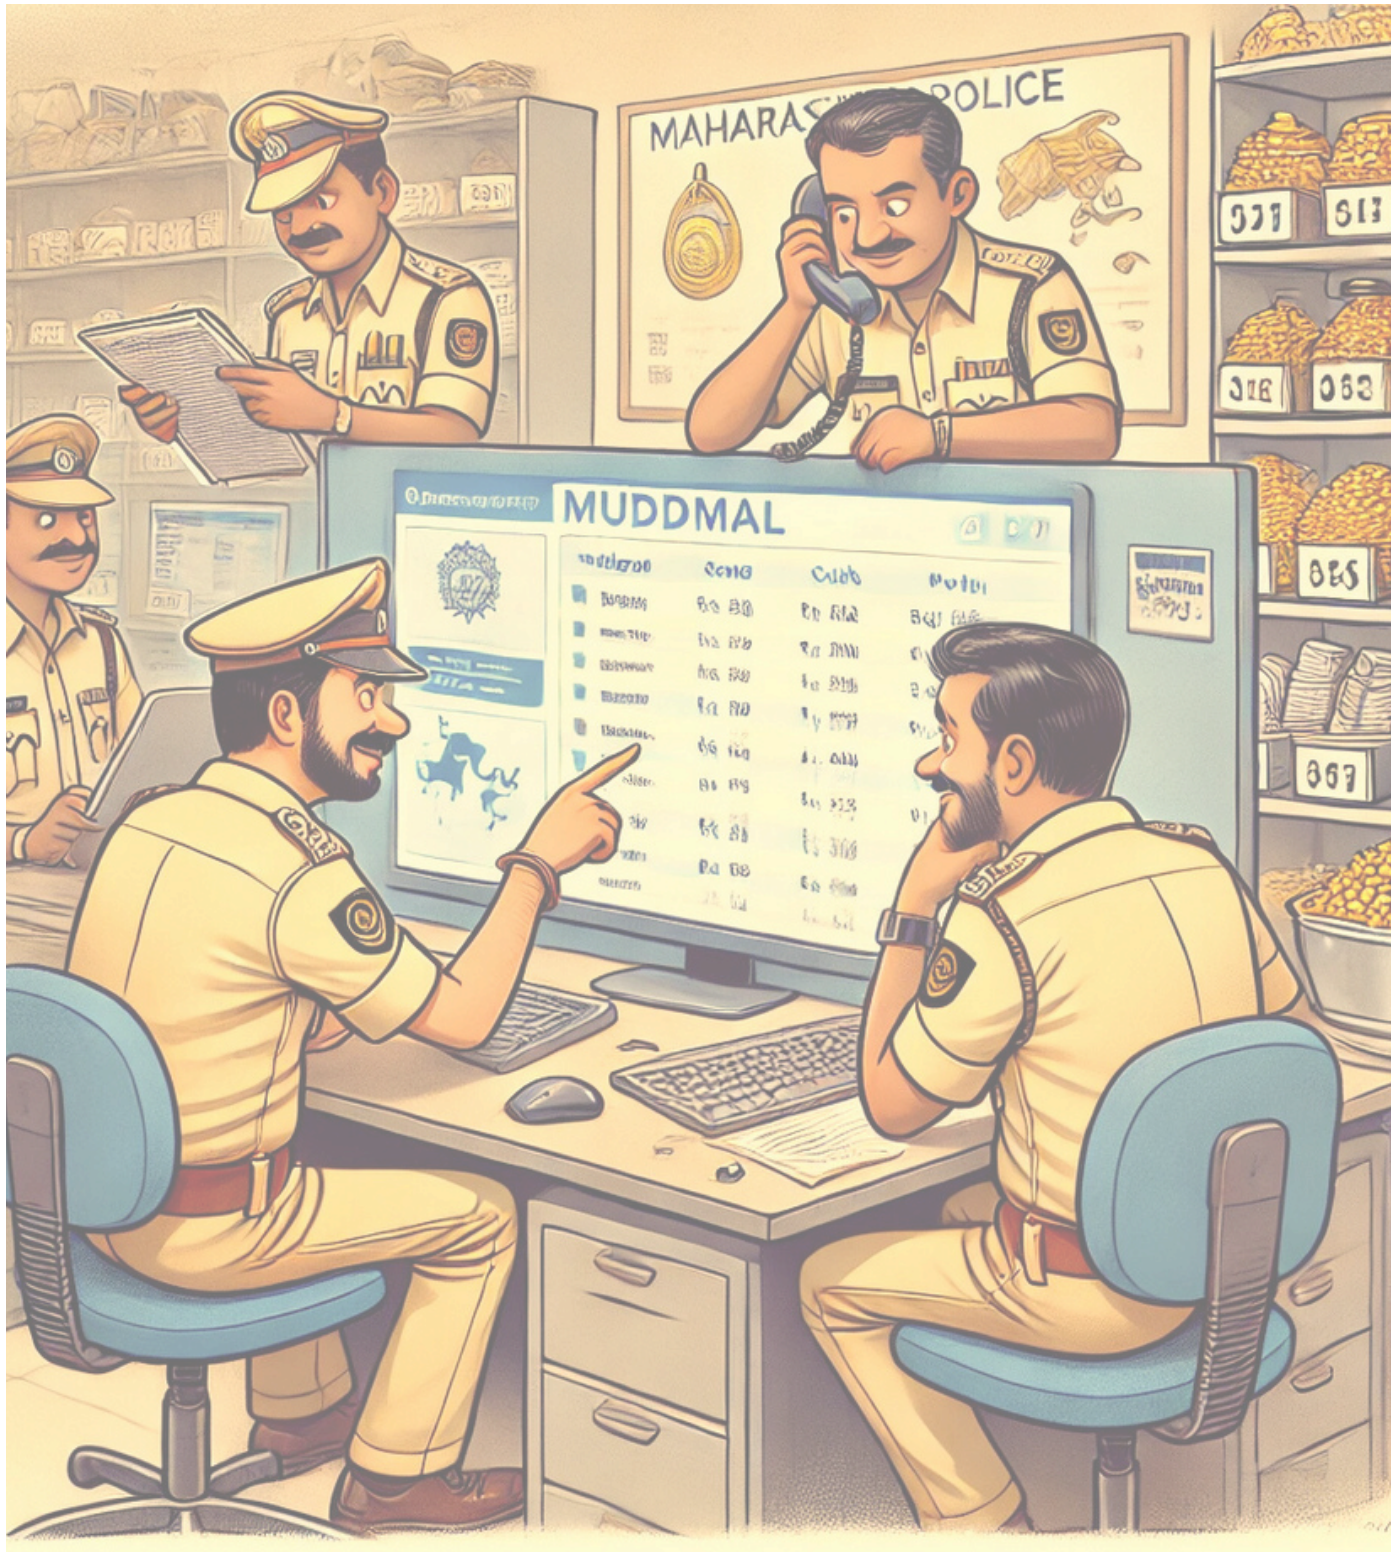

Manual handwritten registers

Physical logs and paper files stored in record rooms

Reliance on manual verification and updating

Advantages

- ✓ **Real-time data tracking and accessibility**
- ✓ **Accelerated judicial proceedings**
- ✓ **Enhanced transparency and accountability**
- ✓ **Significant reduction in administrative workload**
- ✓ **Enhanced data integrity through blockchain technology**

Data Flow

- FIR scanned/uploaded → OCR module converts data
- Data verified and entered into the blockchain
- AI module classifies seized goods automatically
- QR code generated for asset tracking
- Digital evidence uploaded, tagged, and stored securely
- Data accessed in real-time by authorized personnel

Why Choose Us

Muddemal significantly reduces administrative workload, boosts efficiency, accelerates judicial procedures, and ensures greater accountability and transparency. Developed by a trusted company with extensive experience delivering government projects—such as Mahaayudaan, Maharashtra's renowned organ transplant system—Muddemal is meticulously tailored to meet the specific requirements of law enforcement. It has been built in close collaboration with police departments, aligning seamlessly with existing operational procedures, ensuring ease of adoption, reliability, and practical effectiveness.
